Make the city your playground

CODERUN

4-17 November

The 5th edition of CodeRun is finally here: explore the city, learn something new and compete to win.

4-15 November: Trainings delivered by our partner companies to set yourself up for success.

16-17 November: Show off your newly-gained skills, sprint through the urban jungle & conquer all checkpoints conceived by our partners!

So what are you still waiting for?
You've got nothing to lose & plenty to win here.
