Are you looking for THE chance to jump start your career? Looking for a great working environment and the opportunity to learn? This is the chance for you!

Join our IP Networking team through our INTERNSHIP program!

We are looking for enthusiastic persons who are well organized, have good communication skills and excellent command of English. Responsibilities for the internship positions are:

- Perform various tasks to help the project teams in their day to day work (e.g. draw network topologies, create network device configuration files, update or review IP network documentation);
- Participate in internal trainings and workshops;
- Use network simulators to test IP network designs.

What we offer:

We are a company that cares about employee satisfaction as well as company growth. Atos offers not only a challenging and exciting workplace, but also a rewarding work experience, with competitive compensation and benefits packages:

Please send us your CVs at amalia.catrina@atos.net. Please write in the email subject you are applying for the Internship program in Cluj-Napoca.
